

Niles North Fine Arts Parents & Patrons, Ltd
2016 Fall Grant Application

The intent of this fall grant is to assist Niles North Fine Arts students in enhancing or learning new skills, which are brought back and shared with the Niles North Fine Arts community. These grants are available to NN students who are currently enrolled in fine arts classes or NN extra-curricular ensembles. Grant funds may be used for private music lessons, master classes, creative workshops/seminars, art classes, dance classes and participation in outside ensembles and educational programs. New to this year's grant cycle is the opportunity for students to apply for a grant which can be applied to an online fine arts course, an arts-specific periodical or magazine or an educational instructional book; **subject to fine arts teacher approval**. The maximum individual grant award will be \$100. Grant funds cannot be awarded to purchase or rent supplies, instruments, software or music.

Grant awards will be paid directly to the organization or private teacher. Proof of pre-payment for an upcoming activity may also apply whereby checks may be made payable to an individual. Awards must be used during the 2016-17 school year. Questions about this grant program should be directed to the Service Board of NNFAPP by email to info@nnfap.org

All submissions will be reviewed for completeness. A committee of previous NNFAPP members, alumni and non-Fine Arts Staff will evaluate each blind application.
